64. Brigid Kennedy, *BROKEN XIII*, 2019, \$1350

--

Artist Statement

Broken Series - This is a direct relationship with the medium: plaster, investigating the edge - how far to take the process while animating this typically inert medium.

The Heart Has Not Stopped - This piece embodies and supports the need for reparations to victims of slavery and/or their descendants.

These drawings and encaustic pieces comprise a look into the rear view mirror so to speak. This is work created while tapping into the memory of constructing physical forms.

Tony Saunders

Upstairs Hallway
